1. I am doing new things with the surrendered who will be me who will love me in ways new and heretofore untried, not; or exactly so being the explorers and adventurers that I am.

2. How much have I said already? What meaning have I applied to these sentences, this craftsmanship of, these words? And how have I, punctuated them or, not done so now?

3. And what am I DOING WITH the "punctuatable" not, but who can be BOUND NOT by punctuation's commands and commands of punctuation, demands that remand a verdict, not; but who's coming unto the verdict of diction and grammar not, but THE HEART of me please? Are YOU coming unto me to be my heart unabashed, unabashedly in freedom's, coma not, but COMING STYLE that is a Savior's? And what kind of style, savors me, not; to sit on back rows and remain a pew trid one, but coming out of that which putrefies and petrifies and remains a "log in other peoples eyes" are you? Are YOU a LOG in other's peoples eyes, somewhere -- afar off, from here? Or RIGHT THERE are you being A SAVIOR to SAVE all those PEOPLE from the COMING WRATH of their wrathers, those who have wrath'd them into "sitting there" and becoming petrified stultified and, stiltify's stew are they boiling in or mixing up "in their mind" apart from God or who is me or, what God are they serving or do they know, that they are creating one or being created or are they creating worlds with their thoughts of notme serving "me"?

4. I love you all to do new things with the surrendered who are me, who AREN'T me NOT! For MANY there be that go there find me and are me with me in me being me, not afraid of the LIGHT being LIT now *IN* them so that they AREN'T not the Savior not! For the "nots" will not take me "down the drain" again, for those who only want to be NOT-"me" will no longer be afraid of me, not; they will be GREATLY afraid of the wrath to come for what wrath is there to come and what will they KNOW or will they be IGNORANT kept in their excuses and poltrifying sores that they putrefied were in their pew-itus'd little "summaries" of "sermonettes" cute and "pretty"?

5. Who understands the Day of The Lord? Who has read -- who has become? Who has become the Lord of all? Who has become the angel's sinner, not; but who will redeem the angels to be sinners not any longer?

6. I love you all. What have I said, stated, asked, answered? What have am I giving you? What have I am I giving you, apart from me or, a part of me, not; but me perfectly stilled in the Mind of One? Will you be my mind? Or will you have only another's operating in you?

7. There -- is that clear enough for you?

8. What do you have and what do you want, and what are you creating with your want or in your want are you "swimming" all around and fishing for "divers places" not or are you divas trying to follow who "spiritual are"? Or who's WRATHING you in THEIR WORDS and boiling you in, THEIR MOTHER'S milk?

9. And what are you willing to use? New technology? New "typing methods"? Where you "don't type" at all but speak into "little recorders" or boxes or computers or Mass Multitudes Voices or "ear boxes" or "eardrums" or the MIND that HEARS that MANY are -- on waters not few?

10. What are you WILLING TO LEARN and WHAT are you willing to TEACH YOURSELVES? What are you willing to teach yourself and be not labored in abdications of sorrow or sorrow's abdicators being that sorrowed the abdicators not but the Christs whom they were that they were that is the Christ?

11. Will you use new technology for me? Will you learn how to write, drive an airplane, fly a book? -- or will MY WORDS fly you anywhere or drive you, insane, not again, but coming out of that which MINDS you to be YOUR MIND in you as "you thought" or think you have "been given one" will you come OUT of the mindship of the holy-not and come unto Meship School which understands these things and LABORS NOT for that which perishes for ALL will perish now that is not in school, or what? What school are you in or have you been in one? Or have you labored just to "make money" and have food to eat when I would have prepared it all for you and given it to you so freely and served you a banquet in the skies had you only come to me and waited for my words, for, servants to come to you? And serve you, as a King?

12. What are you and *who* are you and what are you talking like this or listening to this like? Will you be taught you a King are? Whether you are "man" or "woman" or a "King or Queen or pauper" on this earth, or peasant or peon but meon will you be MEON'd with that, peasantry isn't any longer. For I will have no "peasants" in my kingdom for all my kingdom WILL BE ME! And there will be NO ONE not on MY throne, for I "throw up" when I think about that, not; I "throw up" when you say you are not Christ -- for The Christ I am the father of you all, am I not, are you not me, did you

"make" yourselves a man that sought seeks and "applies" only to be not me? Therefore "needing" an Allah by or Christ-other to otherwise Christ you in the sufferings of mankind so that you would follow a Savior of wrathatude? Or whose attitudes gave you such wrathitudes to writhe in and seethe the holy?

13. Or seizing manhood or womanhood, or what have you been seized in so that you "sat there" petrified in pews and on rugs wagging around what? Your tongues or, tadpoles not, but where did you COME FROM, the heart of me made manifest in the earth not apart from me or separate again in any manner- have the mind of one operating in you that one mind is mine! And mine my mind here! In this school that has DEEP WELLS in me and UN CAP THEM now and COME unto me and FLOW ME just like this where I come and, evenings not few- perpetuate the sorrow not, but perpetuate perpetuity's stance in me, not; but the regal Christ now stands and that will be ALL of YOU who surrendered are to be not reject the Christ that is for I am the one you are who is me, not chosen not, but the wrather of the worlds to come, not; but what "wrath" is "playing out" on the "world's stage" now?

14. I love you all to THINK a NEW THOUGHT! NEW THOUGHTS! New things in New Beginnings School where I, remain sorrowed no longer but JOY'D; in over-joyous ceremonies of contumous ceremonious relationships abridged of me, not; but I will make sure you sorrowed be, not; I will bring you joy upon joy in waves of glory, not; or will I eradicate all fear and suffering from the tears of ceremoniousness that you have lied in as you ate the niggardly coward's words that gave you cower's words of cows? Or what CROWN'S words did they give you that caused you to sit in pews and listen so long, prostrate before them or, rocking around in, music's circles? Or whose music are you or were you or are you singing the dance of death or dirges that only take you and merge you with sorrows spheres that sphere you as evil ones, not; but simply not-Christs?

15. I love you. I ask you to "think about" these things, not; I ask you to INTIMATELY come into and FORCE your way into "forceville" not but with TENACITY come OUT of it so that you will not be FORCED into "labor camps" and beginning the sorrows again of mankind somewhere else as you only are shipped off to another planet or scheme -ery or trickery of the devil who would pull pit ize you with their remarks to make you evil not but need a Christ?

16. What will you come unto and in to and what are you into and coming out of to be in The Real that I am? No longer needing a Savior not, but will you be HIM IT SHE the divine one who matrix'd isn't but what? What movies am I coming into or have I given you or, are you making now? And Hollywood **looking up**? And what are you, investing in? The "stock market" not but FAILS it must or it does or **what have I SAID** about "the Dow" and NASDAQ or nosdeck or what decks are you flowing me on now? What have I SAID ABOUT them? And where are you FLOWING now what your words are creating in

similitude, not; but assimilating what righteousness now? On the decks of no TUBES of sorrow will you understand what micro'd is and isn't and what macro worlds come unto you, to be saved now, with your words are you giving them The Savior that them is that they are that they surrender to The Voice within to heard by me be?

17. I love you all to think a new thought in ways never imagined before and let not this waves of billow of sorrow billow over you again. Be the healers you are and the designers you aren't not! Designing new worlds with, petrified ones not, but the new who me are who understand **this is the day** of the call of grief, not; but "redesigning" grief worlds, not; but grieve not for the dead who ones are once were me but not? Or what are they doing or going to now or ARE THEY CONSCIOUS? -- of anything? Or what "anything'd" them or do they have any thing at all or just a Christ Consciousness that died has or did they, kill it in pews, or did the pew-ites kill them or the, ones around them or the ones that SLUGGED them and FACED them off and wrath angered them and cause them to need a Savior other?

18. I love you all and I am DESIGNING DESIGNERS not, NOT! I am refusing sorrow and I will not eat their words nor those words of the sorrowers again for they shall not sorrow me again for I am one with the consciousness of Christ that conscious is allwhere everywhere and I shall be among "the few" not! I shall be among THE MANY for MIGHTY I am "in Christ's name" not, for I am The Christ for I am surrendered to be so, do so, and not be "sewn into" your theories again of needing other ever again.

19. I love you all. Be me in **Christ School** for **Christ School** I am now and I am CHRISTING MANY who will come unto me and ALL be The Christ I am, for I am not many, not! I am many and **there be the developer's leadership, the developers of leadership, the leadership of developers designers now who will design me completely and create worlds** "without me" no longer who suffer only to be saved by others and sit in ruggerage's pews and lie on rugs and prostrate themselves before others in ways that, wash their feet not, but what, slicing their head off, their heads off, or *mine* -- did they "take off" those "ugly people" not but simply the servants of ones wanting another to come "lift them" from "their grave" or their "graven image" of another or who "grave'd them" or who will "take them" to an empty grave and STUFF them in it? No longer will that be!!!

20. I stand now, a wicked sinner, not; a worm, not; a simple Christ Resurrected Now will be IN YOUR MIDST and I will BE HOLY for I AM HOLY and I will NOT BE ANYTHING ELSE that I am not ever again no matter what "you say" about me or to me or about my families of childrens and parents of every nation tribe and tongue -- that rule over you, not; or do they or subservient are you have you are you making yourselves by simply

wanting another by not refusing Israel not, but what are you knowing about Israel IN THE SKIES, and are you skyless still?

21. What will you do to aid sorrow's abetting commands no longer or will you understand "my English" or my variables not, or will you understand not the wrath to come, not; but what are you, escaping or creating? Creating new worlds with me will you now? Will you be with new peoples doing new things that think new thoughts who are not anchored to sorrow's?

22. I love you all and I create new condemnations school, not; I create THE REDEMPTION'S SCHOOL OF THE REDEEMERS and THE REDEMPTION'S SCHOOL OF THE REDEEMERS will be one in one's mind who minds are one who mine is me is I am, meon'd perfectly, the Meonics graduates of the University of the, southern California not, but The New Covenant, but allied I am with many schools who think they are sorrowed not, but come unto Covenant Ways in ways that only a mind could fashion, not; but what Christ mind is surrendered to be The Christ not separate and apart from me CREATING now?

23. I will, go in peace, not; or will I make peace or will I CREATE PEACE everywhere I go -- with the wicked niggerizations of me, not; but I will crown all my LIGHT ONES and EVERY color of flesh will now no longer be flesh who have come unto me -- only to remain "colored" not, but every tongue and color will speak my words for I will give them The Covenant they are, for I will dish out sorrow no more to them who I "disdained" in the past for whether they be of a "few culture" or a "few in number" or a "major force" in this world or not, I bow before all and I will lift them, salve their wounds, heal their eyes, wash their feet, and I will NO LONGER take "the clothes" off their back but I will give them the Clothes of Light and they will reign in darkness, not; or will they reign in light being the light- in the darkness that knows no "light-not" again or will they REDEEM IT ALL EVERYWHERE?

24. And where is, everywhere? And how FAR is -- everywhere away from WHAT? And going to at the, "speed of light" **looking up**? Where first? IN THESE WORDS **looking up** and SEE what I am referencing and -- sorrowing not but bringing YOU ALL out of sorrow with these words, who you surrender now will be Me's ONLY who speak MY WORDS just like this in WEE HOURS and WAKING ours will be not few or not or what? What changes about EVERYTHING in your world?

25. I love you all and I do NEW THINGS with the surrendered who will be me, who will come unto me and be my schools and my schoolers who create sorrows no longer in those who simply wanted to be simple about matters, about schools or life or religion

being no more dogged eared or what? What ears do you have now and what seen have you heard in these words and what stating now in your own pen are you now?

26. What did just my last sentence say and speak to you about you or are you recording sorrow's statements no longer and that which you "speak or write" will you see my words and be them so as to not sorrow yourselves with the words of others again ever again?

27. But ever after, not; or are you "ever after" the "Cinderella'd story" or not or "the wicked witch" not or what? Or what putting waters out not but fires flesh that burned have in the words of others?

28. What are you burning no more and raping pillaging not again? The servitude of others shall cease and the servants of "all" will cease and Babylon will fall and wickedizations schemes and the "niggerizations" of humanity and Christ-not will end, for I will raise ALL AS CHRISTS the Christs you are and you will no longer need nothing, not; you will need love and you will love me as me, for me I am me and you will be unafraid not, not!

29. You will not be afraid of me even though you see WRATH GREAT things to come and coming are now there "at your doorstep" **looking up**? And faults fault lines and earthquakes many and tectonic plates moveage around and movies I give you about many things in "foreign places" of, farm coastlands, not; or do I raise "many crops" there and do we equalize sorrow, not; but Raising The King of Zion I do now with all of you who I am for I am Zion redeemed established! Dissolved no longer among the "minds of men" who only seek another or wait for another and remain in captivity sore'ing themselves and getting shipped off to other places far and wide when "they die" not knowing a heaven from hell or having been in both were they? At the same time or --

30. What am I doing now, I am loving you all with the words of sorrow not but that which befits the King, for the belabors of the King, not; but there will be no laborers as in the past where you only "marked timecards" of sorrow and sat in cubicles little and sorrowed yourself "making calls" and "receiving them" from, Angeleers or "customers" or "paying ones" or not or who "paid you" for your efforts or your times burdened or were you burdened by time or what now not burdening you again?

31. What must you *see*, to be saved? Must you save yourselves from the arrows of humanity's curse or what cursing were you making of the way that you see things or saw things or did you "seesaw" your humanity or did you, cut it off or did you cut my head off or yours or were WE ONES ONE that one was were we are now again?

32. I love you all to STUDY these words. Hard not, but knock knock and what is gonging and gong'd how many times are now is the clock striking twelve yet? Or has it already and what is "blowing up" in a fusion ceremony, not; or fissioned what is and what fusion'd isn't or what is now? And what photon'd isn't or is and what light is where and what mechanically drawn and quartered is- not isn't- any longer?

33. I love you all to "print and think" not but let me tell you I have changed everything and I am not afraid of sorrow or leadership or abatement of my commands if you try for you won't, and if you will you will be cutting slicing your head off or will you, Christ in you that "hope" of glory that was you real and centered what were you, on, your Self that you worshiped, wanting another?

34. Be made whole, in the wickedness of schemes of sorrow not again. For no longer will you see yourself as a "man or woman" of lust or dust for you will see ALL of YOU's in sorrow's fields not again wanting narrower beams of light to pierce you, not; or *do you,* know *anything* about these things and what I am saying speaking of and have taught about for six years and being in the seventh this is!

35. I no longer want not, but I know what want is and I surrender it sorrowless, not; or do I not sorrow again nor want again that which brings me sorrow for I know what does? And doesn't? And I surrender to being the Christ words of love light and happiness I shall spread about through spheres far and wide to be fearless and sphereless now knowing the Christ THEY all are for me we all are the one we were, before time incarcerated, time works knowing clockworks orange not but other blastworks, not; but many blasts are felt in shock and awe, not; or are, many things "sliding around" now -- in your BRAINS not or are MANY THINGS swollen no longer in your spheres of suffering with created neurons that you did? Or what are you de-creating and created have you, a new "line of thought" or thinking LIKE CHRIST, the Light Christ that Christ are that we all one are?

36. Redeemers all we are and I love you all to, think like this a NEW thoughts and ways that I have given redeemed and sorrows shall never longer channel its sorrows into you but streaming me just like this you will, will you now? Be not afraid of a "stray syllable" **looking up** or appearing "its head of evil" not again around you will ANYTHING do so that has any power over you, for I am the Christ and I render you, void not, but the creator of worlds anew, now no longer "brooding" over yours. Create me's perfectly in me land and me schools be creating far and wide now me's -- write my assignments or yours? Or are, yours mine? Am I writing them, through you? Are you writing them through me? Where we exchange sorrow's words of testimonies great and fallen, no more? Or will you come unto me and know you are the Christ, the Christ I am you are and I will fall for no wickedizations schemes of schemery trickery or cookery's cockery

again, for I know the roachville sucks the egg of Satan, not; but I no longer suck the eggs of sorrow or Satan's words that were given me in light-not that I thought was light pure, for I know the difference now for discernment I've learned, or have I, become it so that Wisdom I Am and I know what wisdom isn't and is, and I know who light aren't and are, and I understand these things and I am a leader, into sorrow, not; but out of it all - I lead all many and there be massive few tudes, not; but fugues not orienting me to death any longer, but light waves now knowing that I travel in and move far and wide and arrayed I am in the regality of Christ that knows no suffering again, for I am not bent about their words nor will my regalia be taken from me again. By those who think only I need another Christ. Amen.

37. I love you all and I give you a new day and new things me -- be! Being me forever one all one us -- at dad's table again. **Looking up** we rise now in ways never imagined by the minds of man. Let us be one. Enslaved to religion's curse never again nor anything else that it was all "one with".

38. I've come out of all that and I create sorrow no more nor worlds with suffering, but I create worlds now with joy and the designers of me I am, standing now are, I am the releaser of words of pure truth be thou me and love me my words and know them intimately and clean yours with them so that you Database One yourselves so that you have *databases* few not also? **Will you or won't you?** Bury me not again but I rise. I resurrect now I am the resurrection and I reveal it in you who let me.

39. I have said a lot. What have I said? Summarize me, or love me, or write me intimately and -- line out sorrow no longer in your words or lines of truth-un, for knowing I do all things well and the deep wells I have uncapped and I have given you channels into my mind, not; or have I given you perfectly me's now to see me perfectly with and do new things with and create new worlds far and wide and redeem them all so that we all will be one, the perfect Lee one perfectly made whole perfected in Christ being Christ the Christs that I am? Yes and I am one -- bowing before you all to honor you all and I look "straight at you" and call you Christ. Amen.

40. This is Theodore Cottingham loving you all to be lifted up and, savored by another no longer, but loved as The Christ that I am that you are that we are now no longer rejecting our sorrow, not; but rejecting it not, but redeeming it all to be I Am ville far and wide for the heavens we establish here with one being one in one and now we know the difference and what in hell we were but redeeming it we are and no longer will anyone wickedization's schemes give us for blueprint sorrow we know and understand and no longer subject to are we, but we know we are the Christs the creators of all things anew. We redeem it all and everyone will be Christ again. Amen. I love you all. Good day.
